

PARKING LOT PROCEDURES

Dear CAC Families,

Unfortunately, we have a CRISIS in relation to our zoning and agreements with neighbors. We're forced to take extreme measures. This letter explains proper parking lot procedures. We realize most families have heard or read this many times and cooperate. We appreciate your **100% compliance** by **ALL families**.

- 1) Drive 25MPH or less to and from CAC while on Alto St.
- 2) Parking Spaces begin where the railroad ties begin. **DO NOT** park directly next to the gate or in front of the parked vans.
- 3) Drop off and pick-up **ONLY** at the bottom parking lot.
- 4) Don't use cell phones while doing drop-offs and pick-ups.
- 5) Circle counter clock wise **ALL** the way around the parking lot when leaving.
- 6) **ALWAYS** be with your child/children in the parking lot.
- 7) **RIGHT** turn only at the exit and stay on Alto St. **DO NOT** go straight in to neighborhood or make a U-turn. On Alto St. you can turn left at La Madera (which runs past Aspen Community School up to Agua Fria) or turn left or right at the Alto/Camino Aire intersection.

Thank you for your cooperation and helping us make drop-offs and pick-ups easier for all families and neighbors of CAC.

***Please take all belongings out of your car and lock your car.
We have had break-ins in the parking lot in only a few
minutes.**
